## 2007 PINOT NOIR

This is our third vintage. Produced in limited quantity of 450 cases, this offering is a site specific blend of clones 2A, 115, 667, and 777 from our Rio Vista Vineyard. The fruit was destemmed, crushed, and barreled down in 40% new French oak, and 60% older French oak for 18 months and then bottle aged since April 2009,

Luxuriant dark ruby color, fresh fruit aromas, bright and brilliant flavor, this elegant wine is smooth yet well focused. With in the mouth flavors of earthy raspberry and cherry, the texture is rich followed by a pleasant finish that is subtle and satisfying.
